Editor's Note

Dear Friends,

It was pleasure to see everyone at the last month's event. In
this month's editor note I would like to talk about the "Finding
the Inner Warrior"

brave and free. In today's society, where we're lucky enough not to
have to fight for our territory, property or survival, being
empowered has a very different connotation than it did in past
times.

The way I see it, being empowered today means feeling like you
have a strong warrior at your core. You could see this "Inner
Warrior" as an aspect of the self that embodies all your strength
and courage; the part of your personality that protects you from
harm and defends you from attacks, either from the negativity of
the "Inner Critic," or from the hurtful behavior of people around
you.

Internally, the Inner Warrior is the part of you that recognizes and
rejects any negative self-talk. In the world, the Inner Warrior looks
out for you and identifies who's friendly and who's a potential
threat.

When you embody this warrior part of the psyche, it enables you to
stand up for yourself any time you need to, and walk away from a
bad situation any time you have to.

Courage is a necessity in life if you want to be successful in
relationships, creative projects or your career. The Inner Warrior is
the part of you that lets you be brave, and when it's present, you
feel empowered to take risks and try things that might seem scary.

This warrior energy supports you in embarking on a new business
venture, starting a new relationship, taking the step to get married
or have kids, or making a big career or lifestyle change, for
example.

When the Inner Warrior isn't fully developed, you feel less
confident and it could be harder to try new things. In personal and
professional relationships, it could be more difficult for you to go
after what you want, be assertive, or set good limits with others.

Everyone needs to feel empowered if they want to be their best self
and live their best life, so the important question is, "How do you
come to have a strong Inner Warri

On that note I look forward to seeing everyone at my Saturday
Night Soiree on 1st June.

Yours sincerely,

Reemma Dalal

Match Making Services

Dear Friends,

We fully understanding that Match Making is the most sensitive phase in the Heart & Soul process & we have taken every little bit of care to ensure that it is smooth, safe & most importantly discrete for your comfort. We at H & S will meticulously only put forward those matches where we feel a 90% > level of compatibility. The most rewarding feeling for us would be when it works out for you. Your joy.

How It Works

Inclusions:

- ✓ I will meet you personally over coffee to understand **your needs & an idea of what you desire in a match.**
- ✓ We will **short-list about 10 to 12 suitable profiles** out of which you will get to physically meet 6 matches (6 people).
- ✓ A 2-hr personalized session on **"TOOLS for EFFECTIVE COMMUNICATION"** with our Communication Specialist.

Commercials:

- ✓ Total Fees for all above inclusions: Rs. 22,500/- to be paid in advance before commencing services. (Rs.22,000 + Rs 500 registration fee)

Things to be kept in mind while signing up:

- ✓ Registration form to be duly filled & signed.
- ✓ Payment Methods:
 - Bank Transfer
 - Details as below: Cheque to be drawn in favor of **"Reemma Dalal"**. Request you to ONLY use either of the payment options. No cash either sent through a courier service or sent via any third party at my residence will be entertained.

The First Meeting: Meet with us over coffee so that we can get to know you, and understand your relationship goals. If a face-to-face meeting is not possible, such as in the case of clients based outside Mumbai, then a phone interview can be arranged.

Procedure:

- We send you the first profile of a potential match based on your preferences.
- Please note that we will need to share some of the information and photographs with clients/potential matches only. We will need your written permission for the same.
- It's really not our business how you decide to handle incurred costs (coffee, lunch or dinner) once you decide to meet your match. We leave such decisions to you and your match.
- **Important:** We will try our absolute best to have the fastest turn-around time, however, please give us ATLEAST a week to a MAXIMUM of 10 days to work on your match/es.
- If you approve of the profile, we will fix a mutually convenient date and time to meet, and do an email introduction so that both parties could take it forward. Please note that for whatever reason you change your mind and do not wish to go ahead with the meeting, it will be still be counted as a match.
- **Reason:** Keeping your needs in mind, we select the best match/es for you. Unless you MEET them in PERSON, you will not get the best idea of compatibility. Request you not to make meeting decisions based on chat or e-mail exchanges you have had with the person.
- **Don't judge a book by its cover:** Just like we strongly recommend that you DO NOT make decisions about meeting or otherwise based on chats or e-mail exchanges, here, we urge you NOT to judge the matches we send by appearance (most people are better in person, anyway).
- Send us your feedback after the meeting, before we send you the next profile.

Disclaimer: Despite our screening process & taking every effort to ensure that we provide you with the best experience, in areas such as financial background, astrological compatibility, family history and other such related aspects, we request you to find out accurate details on your own
